Method 3: Play from a podcast provider of your choice

On front page or episode pages there will be links to other providers such as **iTunes**, **Spotify**, **Stitcher**, **Google**, and **TuneIn**.

We also have connections to many more. You will need to find our show through those apps. Look for the ship icon for the right one.

You may need an account to use these players.

Once open, you just hit play on the episode you want. You should also be able to download.
